RN Shetty Merit Scholarships for Students admitted under Management Quota – PG Programmes (MBA & MCA)

Strategic Context:

In recent years, PG admissions to MBA and MCA programmes have witnessed fluctuations across the sector, despite institutions offering quality academic inputs. At RNSIT, while the Teaching–Learning Processes (TLP), faculty strength, and infrastructure remain strong, achieving full seat occupancy in these programmes continues to be a challenge.

In this context, Dr. Ramesh Babu H S, Principal, RNSIT, convened a meeting to deliberate on focused efforts to ensure 100 percent admission to the MBA and MCA programmes. The meeting aimed to review recent admission trends and evolve strategic and contingency plans that leverage institutional strengths, enhance outreach, and sustain RNSIT's academic stature—while consciously avoiding short-term or desperate advertising measures. To address these challenges in achieving optimal admissions to the MBA and MCA programmes, and to strengthen student and parent perception, it is proposed to offer Scholarships to students admitted under Management quota for both MBA and MCA programmes, aimed at enhancing affordability, improving parent confidence, and positively influencing student perception.

Proposed RN Shetty Merit Scholarships for Management Quota – PG Programmes:

To foster academic excellence at RNSIT the meritorious students would be eligible for the merit Scholarships under Management Quota. Accordingly, three plans have been proposed. Management has approved the following merit Scholarship policy for the year 2026. The eligibility for obtaining the merit scholarship is explained as follows:

Merit Scholarship Policy of RNSIT-PG Programs (MBA& MCA) for the year 2026 admissions

Condition	ELIGIBILITY	BRANCHES	ACADEMIC EXCELLENCE SCHOLARSHIP AMOUNT during I YEAR ADMISSION	ACADEMIC EXCELLENCE SCHOLARSHIP AMOUNT during II YEAR

The student must maintain minimum CGPA of 7.0 and above to be eligible for RNS SHETTY merit scholarship during the second year of the PG programme. The student must maintain minimum CGPA of 7.0 and above to be eligible for RNS SHETTY merit scholarship during the second year of the PG programme. [The same benefit that applied to fee waiver during first year applies to second year too]

2. If a student has completed undergraduate degree from RNS Group of Institutions, he/she is eligible for a discount of Rs.25,000 per year for both the years of the PG program. However, such students can avail any one of the scholarships only.
