I am a senior business leader who has managed multi million dollar global portfolios and accounts in top MNCs for past 27 years, providing Thought, Transformational, Strategic and Technical leadership to Enterprises and the Industry. I am recognized as one of the industry experts in India from institutions such as CII, BIS, Zinnov and Nasscom .

In my next phase of career, I am aspiring to enter into the field of education, driven by the genuine commitment to contribute and guide the next generation to become resilient, insightful, and industry ready professionals, equipped to meet corporate challenges and contribute meaningfully to society.

As a corporate educator, I have designed , developed and imparted classroom and virtual sessions on technical and management subjects over the past 16 years. I have gained hands-on experience with the strengths and challenges faced by today's professionals, highlighting the need for leaders who can bridge academic knowledge with industry complexities and expectations.
